COMPANY PROFILE

Description

METALLON is a family run company originally incorporated in 1996 by brother's Bill & Carl Legg, with more than 35 years' experience in the trade.

We pride ourselves on our commitment to our customers providing a professional and speedy service. Based at Shaftesbury Street in Derby, business also takes us nationwide buying and selling all ferrous and non-ferrous metals.

The directors realised the potential to develop METALLON further by responding to the waste management needs of businesses. For this we have a roll-on-off vehicle with trailer to complement our fleet of skip lorries; and flatbeds and vans for smaller loads, supplying skips and containers to the industry sector for all types of industrial, general and hazardous waste material.

METALLON also offers a 'Full Garage Service'. This includes the disposal of waste tyres of all sizes and we also provide a very competitive price for the purchase of Batteries, Alloy Wheels, Catalytic Converters and Scrap Vehicles.

We confirm that the details you have entered, as shown below, are now on the exemptions register. Your registration should show on the public register within 24 hours. Your registration details, including contact, site and business addresses are below.

This document is not a permit. Exemptions may have ceased or been revoked.

To check whether these exemptions are still valid, check the company's registration WEX409356 on the public register of waste exemptions:
<https://environment.data.gov.uk/public-register/view/search-waste-exemptions>

Business responsibilities

The business or organisation responsible for carrying out the exempt waste operations agrees to:

- comply with all limits on waste types and quantities
- comply with all conditions governing how waste must be stored, handled and treated
- carry out the operations without endangering human health or harming the environment

For the operations to remain exempt they must be carried out without:

- causing risk to water, air, soil, plants or animals
- causing a nuisance through noise and odours
- negatively affecting the countryside or places of special interest

In sensitive locations, extra controls may be needed over and above those set out in the exemptions to make sure this happens.
